

Northrop Air Tops Softball League Play

Northrop Airmen stood on top of the Torrance Industrial Soft Ball league, with Doak and American Barbers tied for second after a pair of sensational wins Monday night in Torrance ball park.

Doak took the 37th brigade 6 to 5 in a thrilling 12-inning game, and American Barbers won from Columbia Steel, holding the steel men at the bottom of the league with a 6 to 4 score in an eight inning game.

Northrop cinched its position by beating Doak on May 17, in a 4 to 0 win.

At the same time, National Supply turned in its first win, over Columbia Steel, 6 to 4. American Barbers took Dow Chemical on May 18, 4 to 1.

National Supply Offers Employees Training Course

Becker Will Try Another Suit to Gain School Job

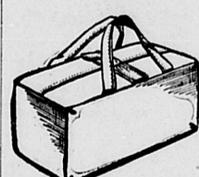

The district court of appeals, by Attorney Clifton A. Hix of San Pedro, denied Roy Becker, member of the Board of Education, a writ of mandate to require the Los Angeles City Clerk to certify Becker to a four-year term in office.

Another suit to clarify Becker's status, whether he was elected last year to two or four years, was being prepared today.

VETERANS' INFORMATION
Veterans may secure information relative to farm and home purchases under the State of California Military and Veterans Code of 1943 at the Veterans' Service Bureau of the San Pedro Army and Navy Y.M.C.A. They may also secure information relative to the California Veterans Educational Institute established under the same law.

Hix said the appeals court held that a complaint for declaratory relief instead of a writ of mandate should have been filed. City Attorney Ray Chesbro told the court his office is required only to issue election certificates which do not specify the length of term in office.
